COMMISSION STAFF'S NOTICE  
OF INFORMAL CONFERENCE

Commission Staff requests that the parties herein appear for an informal conference on October 26, 2006 at 1:30 p.m., Eastern Daylight Time, in Conference Room 1 of the Commission's offices at 211 Sower Boulevard, Frankfort, Kentucky.

Carlie Bowmer may be present and participate in the informal conference telephonically. Our conference room is equipped with a telephone and sound system just for such conferences. At the proper date and time, Mr. Bowmer may call 502/564-3940 and request the receptionist to connect him to Conference Room 1, Extension 7098. Any other participant may follow the same steps to be present at the informal conference by telephone.

The purpose of the conference is to determine the nature of objections to the construction of the proposed cellular tower and to examine the possibilities of compromise and settlement. If it is determined that a public hearing is necessary, the parties also need to address the establishment and clarification of issues, witnesses

and the purpose and scope of their testimony and evidence to be produced at hearing, and stipulations, if any, that may be agreed upon.
